Dear George:

I was pleased to receive your letter of August 17 and learn that you had had a good trip. I will be looking forward to hearing more about it at our next opportunity to talk.

With regard to the checks, our Finance people advised me that the \$100.32 was for your travel to Washington on 4-5 June, the other for \$86.68 covers two days' consultant fees at \$50 a day less tax. The information on your new address has been passed along and I trust appropriately recorded.

Sincerely yours,

Signed Herbert Scoville, Jr.
